

ENSURE THAT YOU'RE READY

YOUR NEWBORN PREPARATION CHECKLIST

At Camarena Kids, our top priority is you and your baby. Our team of providers are here to ensure that all parents-to-be deliver a healthy baby thanks to early planning and prenatal care. Our providers and staff are here to help you plan a positive childbirth experience.

Things to prepare for before your baby arrives:

Prenatal and breastfeeding classes to empower your journey

Selecting your delivery hospital and a Camarena Health pediatrician

Ensuring car seat safety and understanding health insurance additions

Your Camarena Kids pediatrician is here to give you personalized guidance every step of the way.

CAMARENA HEALTH

PEDIATRICIAN BIOS

Dr. Guillermo Sandoval

Dr. Sandoval, located at our Camarena Kids center on Yosemite, has been with Camarena Health for over 12 years. As a former emergency medical provider, he has a wealth of experience to ensure your child is healthy, active, and thriving.

Dr. Michelle Perez

Dr. Michelle Perez, based at our Camarena Kids facility since August 2022, brings a dedicated and compassionate approach to pediatric care. Her expertise and commitment to the health of children make her an integral part of our team, ensuring that every child she sees achieves optimal health and happiness.

Dr. Mayra Robinson Herasme

Since joining Camarena Health in October 2022, Dr. Mayra Robinson Herasme has been a valuable asset to our Camarena Kids facility. With her profound dedication to pediatric health, Dr. Robinson provides expert care and insightful guidance to her young patients, fostering a healthy, thriving community.

Russell Elms, NP

Russell Elms, NP, has been with our Camarena Kids facility since May 2023. As a nurse practitioner, he brings a specialized focus on preventive care and patient education, which are vital in promoting the long-term health of children. His expertise and passion for pediatric health care enrich our community.

Dr. Mireya Samaniego

Located at our 6th Street facility since March 2019, Dr. Mireya Samaniego specializes in both pediatrics and internal medicine. Her broad expertise allows her to provide comprehensive health services to children at Yosemite Kids, ensuring continuous care from childhood through adulthood.

Dr. Maria McCarron

Dr. Maria McCarron has been a part of our team at the Oakhurst Health Center since October 2022. She is dedicated to nurturing the well-being of every child, offering personalized and thorough medical care that parents trust. Dr. McCarron's commitment to pediatric excellence plays a crucial role in the health of our community.
